Greeting

Thank you for purchasing Baroness machine. This machine has been shipped from the factory after comprehensive test runs and inspections. However, the optimum performance of the machine depends on how you use and maintain it, including routine inspections, adjustments, and fuel supplies before and after the operation. We hope you will use the machine safely, and take advantage of its best performance.

Note

(For inquiry about this machine) Since the type of machine may be changed sequentially, inform us of the type and the serial number. The information described in this manual is subject to change without prior notice. When replacing parts, be sure to use Baroness parts or parts designated by Kyoeisha. Note that the Baroness product warranty may not apply to defects caused by the use of parts from other companies. (For ordering parts) For prevention of delivery of wrong parts, be sure to inform us of the code number and the part name.

Example: Code No. Part Name Qty

K0200100002 WASHER, SPRING M10 8

<Indication of the connecting point shown on the other page>

(Example and description) The following indication shows the connecting point of the part shown on the other page.

1- A : Refer to the point A in the illustration of the section No.1
2- B : Refer to the point B in the illustration of the section No.2
