Floating Head Greens Mower

Parts catalog

BARONESS[®]
Quality on Demand

Greetings

Thank you for purchasing Baroness product.

This brochure contains the information needed for ordering BARONESS parts.

Search the number indicating the figure of your desired part in the illustration area, and find the same number from among the latter parts of the hyphenated Cat Nos. in the listing area to obtain the individual Code No.

Notes

1) For inquiries of parts

Inform us of the model and the serial number of your machine or attachment.

The model and the serial number are indicated on the serial number plate of your machine or attachment.

* Consult the Owner's Operating Manual for the position where the serial number plate is affixed.

2) For ordering parts

- Inform us of the Code No., Part name and order quantity.
- We do not accept returns unless our company is responsible for the issue.
- Use genuine Baroness parts and accessories. The Baroness product warranty may not apply if parts or accessories from other companies are used.

3) The information described in this brochure is subject to change without prior notice.

Description of the content of Parts catalog

1) Illustration area

- ① Section No. /Section name
- ② Model
- ③ Indication of the connecting point

The following indication shows the connecting point of the part shown on the other page.

- 1- **A** :
Refer to the point **A** in the illustration of the section No.1
- 2- **B** :
Refer to the point **B** in the illustration of the section No.2

Note :

The figures of assembled components or isolated parts do not always show their accurate shapes. The figures are supposed to be used for obtaining the correct code numbers.

2) Listing area

①		②		③		④		⑤		⑥		⑦	
Cat No.		Code No.		Part name		Qty				Remark		SN of application	
1 - 1		K0000080152		BOLT, M8-15		2 2 2

① Cat No. or Catalog No.

Find the same number as the number indicating the figure of your desired part in the illustration area from among the latter parts of the hyphenated Cat Nos. to obtain the individual Code No.

② Code No.

Identification code of an individual part

③ Part name

④ Qty

Quantity needed per Cat No.

⑤ Model

When the quantity differs by models, the models are indicated.

⑥ Remark

Specification or description, etc. of the part may be indicated.

⑦ SN of application

In case of part alteration, the serial number ranges of machines to which the alteration is applied will be indicated.

3) Indication in case of part alteration

- When a new part and an old one are interchangeable with each other, indication of the old part code No. is discontinued and the new part code No. is solely indicated.
- When a new part and an old one are not interchangeable, the serial number ranges of both machines where the new part is used and those where the old one is used are indicated in the SN of application column.
- When a part is newly added, the serial number range of machines where the part is used is indicated in the SN of application column.
- When a part was previously used but the part is not used in the machine any longer, the serial number range of machines where the part was used is indicated in the SN of application column.
